# CAMPUS LIFE

WE HAVE THREE CENTRALLY LOCATED  
CAMPUSES IN ISTANBUL'S  
EUROPEAN SIDE

## Gayrettepe Campus

This campus is located in the heart of Istanbul where you will have an easy access to social and cultural activities, to the newest restaurants in town with Turkish and World cuisine by walk. Many multinational companies' headquarters are located in Gayrettepe. When you take a look into the sky, you will start to dream a future in the skyscrapers that surround you. Don't forget to take a short walk with your friends to Besiktas where you can enjoy the dazzling view of the Bosphorus.

### Learn

In the city center, Gayrettepe Campus is home to the School of Management, Economics, Administrative and Social Sciences, Fine Arts and Design, Law, Applied Sciences and Graduate School of Social Sciences

### Live

Due to the central location of our campus in Gayrettepe, there are plenty of private housing options nearby the campus. We can assist you with a network of students who would like to share apartments with you. Your housing will be close to world's finest and largest shopping malls.

# 📍 Mahmutbey Campus

Mahmutbey Campus boasts state-of-the-art research and teaching facilities for the majority of academic subjects. It is 15 minutes drive away from the largest airport in Istanbul. Explore the nearby cities during your free time such as historic city of Edirne which is just 45 minutes away.

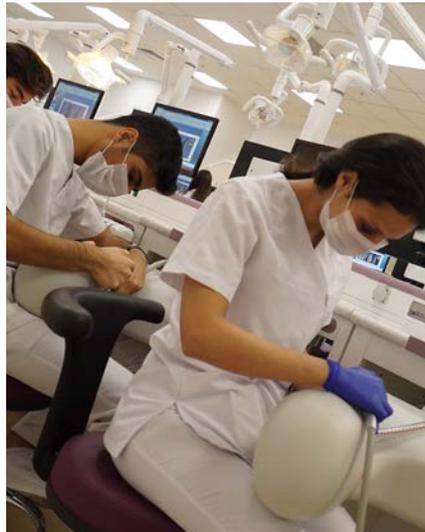

## Learn

The campus is home to School of Foreign Languages, Engineering and Natural Sciences, Graduate School of Science and Engineering and Vocational School.

## Live

Your home away from home suits your budget and your personality. Options to select from 3 different room types. Close by to shopping centers and public transportations with security on campus. As part of a living campus, our library is open to serve students anytime of the day.

# Bakırköy Campus

Bakırköy Campus is a home to Turkey's largest health sciences campus among the foundation universities. It is located in a very central point of Bakırköy which is a very lively city center with many shops, shopping malls and restaurants.

## Learn

Bakırköy Campus hosts the School of Medicine, Pharmacy, Dentistry, Health Sciences and Vocational School of Health Sciences

## Live

Due to the central location of our campus in Bakırköy, there are plenty of private housing options nearby the campus. We can assist you with a network of students who would like to share apartments with you. Your housing will be close to world's finest and largest shopping malls.

# INTERNATIONAL STUDENTS

## **The International Office**

The International Office is a hub of support for international students. Dedicated staff can guide and support you at every stage of your student journey through the following initiatives.

- Advisory service and guidance
- Student communications
- Advise students on immigration issues/job opportunities
- Organizes events, trips and excursions

## **The Orientation Program Includes:**

- University registration and residence permit application
- Applying for a health insurance
- A welcome and questions-and-answers session
- Campus and local area tours
- Introductory talks on studying in Turkey, support available, careers and IT services
- Opportunities to talk to current students
- Social events including movies and dancing

## **Orientation Program**

Our International Office runs a free Orientation Program for international students in September each year. The program takes place from Monday to Friday in the week before the start of term (week one) and offers new students the opportunity to get to know our campuses, meet other international students and complete essential processes, such as registration and applying for a residence permit.

# ▶ STUDENTS' STATEMENTS

## Abdul Wahid Abro

2016 Graduate,  
International Logistics Management

Currently he is pursuing his MBA degree with thesis and simultaneously working for a gold jewellery manufacturer situated in Istanbul, where he is appointed as Business Research and Development Specialist.

Abdul was the only student from the first batch, who successfully completed his Co-op program at Transal Shipping (one of Altinbaş group of companies.)

*"My study experience was enriching, fun and challenging". I encountered people from diverse culture and background which really developed my communication skills and power of self-reflection. And without a shadow of doubt it has had a great influence on my personality and on my career."*

## Mustapha Olanrewaju Balogun

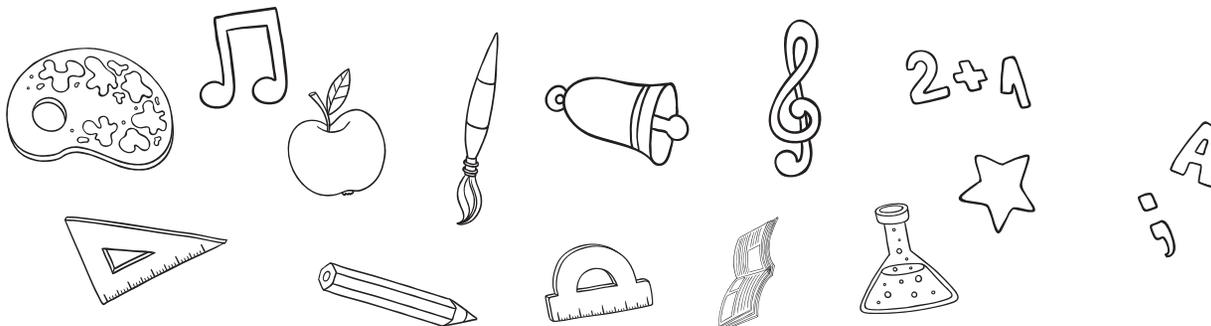

2016 Graduate,  
Business Administration

Mustapha has graduated with B.A degree in Business Administration in 2016. He is now working in various sectors which was what he was planning before he graduated. He works as a manager of activities at Unique Vibrant Ventures. He is also a freelancer who works for international companies as a distributor/Supplier of demanded goods/ raw materials by the companies (basically importing and exporting). He is also an entrepreneur who owns a farm. Next year he will be working on a new inventory which he hopes to be ready in a year. Mustapha is working on projects that will benefit his

country, his continent and the whole world. We can't wait for him to reveal it to the public.

*"I have always felt home during my study at Altinbaş University and adjusted well to the customs which were not quite familiar with mine. My time abroad also helped me grow personally and academically both. My education at Altinbaş University has taught me how to find the nuances in complicated situations and look for deeper, more complete explanations."*
